

KENUCKY VETERANS CEMETERY WEST MEMORIAL BRICK ORDER FORM

A permanent way of recognizing those who mean so much to all of us

Please be advised that the brick order cannot be placed until we receive at least 100 order forms, and the inscription process takes 4 months to complete.

Memorial bricks are placed in cemetery walkways such as Flag Plaza, the Committal Shelter, and will also be placed at the base of the Carillon Tower upon its construction. Each 4" X 8" X 2 1/4" brick will be engraved using state of the art laser technology that has a lifetime guarantee to never fade, chip, oxidize or peel.
